Texas State Board of Accountancy: 009349

### Course Description

*Payroll Management* describes how to properly manage the payroll department with a variety of efficiency techniques, procedures, and controls. It also shows how to comply with an array of payroll regulations, deposit taxes, account for payroll transactions, and issue payroll reports. It also addresses such special topics as payroll recordkeeping systems and whether to outsource payroll processing.

**Program Delivery Method:** NASBA QAS Self-Study (interactive)

**Subject Codes/Field of Study:** Accounting

### Course Level, Prerequisites, and Advance Preparation Requirements

Program Level: NASBA/CPA: Overview.

This program is appropriate for professionals at all organizational levels.

Prerequisites: Basic familiarity with accounting practices

Advance Preparation: None

### Course Content

Publication/Revision date: 1/17/2016

Author: Steven M. Bragg, CPA.

Final exam (online): Seventy questions (multiple-choice).

## **Instructions for taking this course**

A passing grade of at least 70% is required on the final exam for this course. The exam may be retaken if not passed on the first attempt (no charge).

Complete the course by following the learning objectives listed below and studying the review questions after each major section (or chapter) in the text. Once you are confident that the learning objectives have been met, answer the final exam questions (online).

### **Instructions for Taking the Final Exam Online**

- Login to your account online at [www.bhfe.com](http://www.bhfe.com).
- Go to "My Account" and view your course.
- Select "Take Exam" for this course and follow instructions.

**Have a question?** Call us at 800-588-7039 or email us at [contact@bhfe.com](mailto:contact@bhfe.com).

## **Learning Objectives:**

### **Learning Objectives:**

- Cite the types of payroll systems, and note how payroll confidentiality is maintained.
- Note the circumstances under which someone is defined as an employee, and how an employee designation impacts the applicability of payroll taxes.
- Identify the circumstances under which different time tracking methodologies are most useful.
- Note the methods under which compensation is calculated for employees.
- Cite the tax treatment of various types of benefits.
- State the types of deductions from pay, and why they are used.
- Recognize the methods for paying payroll taxes.
- State the methods and related rules under which a business remits payroll taxes to the government.
- Note how unemployment taxes are calculated.
- Identify how payments to employees are made, and the forms used to do so.
- Note where payroll transactions are recorded in the accounting records, and how payroll accruals are used.
- Define the contents of the various payroll reports, and the circumstances under which these reports are issued.
- State the forms used to update payroll events, when these forms should be used, and where they are stored.
- Itemize the key steps involved in payroll activities.
- Cite the actions taken to maintain control over the payroll function, and note the types of controls that can be used.
- Identify the more common payroll measurements, and note how they can be calculated and why they are used.
- Note the responsibilities of the parties to an outsourcing arrangement, and the negotiation points for this arrangement.

## About the Author

## Preface

The payroll department has one of the most difficult jobs in business – it must comply with a maze of payroll regulations, volumes of paperwork, and an array of disjointed systems to somehow pay employees the correct amounts, remit taxes to the government on time, and issue accurate and timely reports to the government and management.

*Payroll Management* makes the payroll department's job easier by clearly defining the most efficient and effective means for running the department, while also addressing the following topics:

- Whether an individual is an employee
- How to track employee time worked
- How to calculate all types of employee earnings
- How to process tax withholdings and other deductions
- How and when to remit taxes to the government
- How to select the best method for paying employees
- How to complete and submit government forms
- How to set up a payroll recordkeeping system
- Which procedures, forms, and controls to install for payroll processes
- How to measure the performance of the department

An appendix contains the due dates for key filings and remittances to the federal government.

*Payroll Management* is designed for both professional accountants and students, since both can benefit from its detailed descriptions of payroll systems, controls, procedures, and regulations.

*Payroll Management* provides the basis for operating a payroll department. It is also updated annually to incorporate the latest payroll regulations. As such, it may earn a place on your book shelf as a reference tool for years to come.
