Course Description

The *Change Management* course is designed to assist the reader in conducting major change initiatives. It focuses on the many pitfalls that can cause failure, as well as the best change management process for improving the odds of success. The course also notes the characteristics of the person who should lead a change initiative, and how to deal with the conflicts that are frequently triggered by a major change.

Final exam (online): Fifteen questions (multiple-choice).

Instructions for taking this course

You must complete this course within one year of the date of purchase (if you do not complete the course within one year, contact us to determine whether an updated edition of the course is available, in which case we will provide you with a PDF of the updated course and the online exam at no charge).

A passing grade of at least 70% is required on the final exam for this course. You may retake the exam if you do not pass it on the first attempt (no charge).

Complete the course by following the learning objectives listed on the following page, studying the text, and studying the review questions at the end of each major section (or at the end of the course). Once you have completed studying the course and you are confident that the learning objectives have been met, answer the final exam questions (online).

Instructions for Taking the Final Exam Online

- Login to your account online at www.bhfe.com.
- Go to "My Account" and view your course.
- Select "Take Exam" for this course and follow instructions.

Additional Information

- The exam may be started, stopped, then resumed at a later date.
- The exam is "open book," it is not timed, and it may be retaken if not passed on the first attempt (no charge).
- Results (correct, incorrect answers) and certificate appear immediately upon passing the exam.

Have a question? Call us at 800-588-7039 or email us at contact@bhfe.com.

Learning Objectives:

- Identify the situations in which change initiatives may and may not be needed.
- Describe how a manager decides which change initiatives to pursue.
- Recognize the characteristics of an environment in which a change initiative is difficult to operate.
- Recall the circumstances under which a project has been properly structured to succeed.
- Describe how consultants should be used in a change initiative.
- Identify the reasons why a business may be mired in complacency.
- Recall the issues for which a prospective vision statement should be tested.
- Identify the methods used to keep a change from reverting back to the previous state.
- Note the reasons why the results garnered from a change initiative may backslide.
- Recognize the differences between a leader and a manager.
- Describe the different types of change agents.
- Identify the different methods used to deal with conflict.
- Note the circumstances under which evolutionary change works best.
- Recall the types of positions needed to support a transformational effort.
