### Course Description

This course clarifies for the auditor every action needed to audit inventory. It describes the characteristics of inventory from an auditing perspective, and then goes on to describe the steps required to audit inventory. Background information concerning inventory is also included, such as physical inventory counts, the lower of cost or market rule, and inventory cost layering.

### Course Content

Publication/Revision date: 2/14/2024.

Author: Steven M. Bragg, CPA.

Final exam (online): Thirteen Questions (multiple-choice).

**Program Delivery Method:** NASBA QAS Self-Study (interactive)

### Subject Codes/Field of Study

NASBA (CPA): Auditing

### Course Level, Prerequisites, and Advance Preparation Requirements

Program level: Overview

Prerequisites: None.

Advance Preparation: None

### **Instructions for Taking This Course**

- Log in to your secure account at [www.bhfe.com](http://www.bhfe.com). Go to "My Account."
- You must complete this course within one year of purchase (If the course is "Expired," contact us and we will add the latest edition of the course to your account (no charge)).
- **To retain the course-PDF after completion (for future reference) and to enable enhanced navigation:** From "My Account," Download and save the course-PDF to your computer. This will enable the search function (Menu: Edit>Find) and bookmarks (icon on left side of document window).
- Complete the course by following the learning objectives listed for the course, studying the text, and, if included, studying the review questions at the end of each major section (or at the end of the course).
- Once you have completed studying the course and you are confident that the learning objectives have been met, answer the final exam questions (online).

### **Instructions for Taking the Online Exam**

- Log in to your secure account at [www.bhfe.com](http://www.bhfe.com). Go to "My Account."
- A passing grade of at least **70%** is required on the exam for this course.
- You will have three attempts to pass the exam (call or email us after three unsuccessful attempts for instructions).
- The exam is not timed, and it does not need to be completed in one session.
- For a printed copy of the exam questions, open the exam and press "Print Exam."
- Once you pass the exam, the results (correct/incorrect answers) and certificate of completion appear in "My Account." A confirmation email is also sent.
- CFP Board and IRS credit hours, if applicable, are reported on Tuesdays and at the end of the month.

**Have a question?** Call us at 800-588-7039 or email us at [contact@bhfe.com](mailto:contact@bhfe.com).

## **Learning Objectives**

---

- Recall the classifications used for inventory.
- Specify the characteristics of the different types of inventory fraud.
- Describe the situations in which inventory errors can lead to material misstatements.
- Describe the substantive procedures used by an auditor to audit inventory.
- Recognize the items to be reviewed as part of an inventory test count.
- Specify the actions to be taken when testing inventory costs.
- Describe compilation testing.
- Identify the additional inventory audit steps used when a new client was not audited in the past year.
- Cite the circumstances under which a physical inventory count can be avoided.
- Recall the issues associated with a client using a separate count team to verify the counts made.
- Recall the details of the lower of cost or market rule.
- Specify the advantages of the various inventory costing methods.
