Pennsylvania Board of Accountancy: PX178025

Texas State Board of Accountancy: 009349

Course Description

The recordation and payment of accounts payable is a deeply inefficient process. *Optimal Accounting for Payables* shows how to enhance the basic process, as well as how to sidestep portions of it entirely. The result is a much more efficient and effective payables function. The course also notes the impact of these changes on closing the books, fraud, and the annual audit.

Course Content

Publication/Revision date: 3/18/2024.

Author: Steven M. Bragg, CPA.

Final exam (online): Five questions (multiple-choice).

Program Delivery Method: NASBA QAS Self-Study (interactive)
