### Course Description

The operations of a brewery present several unique issues for the accountant, especially in regard to beer costs and taproom operations. In the *Accounting for Breweries* course, we delve into how to create a brewery-specific chart of accounts, derive the cost of beer, issue profitability reports and financial statements, and account for numerous brewery-specific issues, while also touching upon a number of budgeting, reporting, and profitability enhancement topics.

### Course Content

Publication/Revision date: 5/1/2023.

Author: Steven M. Bragg, CPA.

Final exam (online): Ten questions (multiple-choice).

**Program Delivery Method:** NASBA QAS Self-Study (interactive)

### Subject Codes/Field of Study

NASBA (CPA): Accounting

### Course Level, Prerequisites, and Advance Preparation Requirements

Program level: Overview

Prerequisites: None

Advance Preparation: None

### Instructions for Taking This Course

- Log in to your secure account at [www.bhfe.com](http://www.bhfe.com). Go to "My Account."
- You must complete this course within one year of purchase (If the course is "Expired," contact us and we will add the latest edition of the course to your account (no charge).
- **To retain the course-PDF after completion (for future reference) and to enable enhanced navigation:** From "My Account," Download and save the course-PDF to your computer. This will enable the search function (Menu: Edit>Find) and bookmarks (icon on left side of document window).
