Course Description

This course describes and compares sole proprietorships, partnerships, limited liability companies, "C" corporations and "S" corporations. It examines their advantages and disadvantages, permitting the participant to properly select the right business entity for their tax and liability needs.

Program Delivery Method: Self-Study (NASBA QAS Self-Study/interactive)

Subject Codes/Field of Study

NASBA (CPA), CFP Board of Standards, Inc.: Taxes.

IRS (EA, OTRP): Federal Tax Law.

NAPFA: Taxes

Course Level, Prerequisites, and Advance Preparation Requirements

Program Level: CFP Board: Intermediate; NASBA/CPA, IRS: Overview.

This program is appropriate for professionals at all organizational levels.

Prerequisites: Basic familiarity with federal taxation

Advance Preparation: None

Course Content

Publication/Revision Date: 1/1/2019.

Author: Danny Santucci, J.D.

Final exam (online): Twenty questions (multiple-choice).

Instructions for taking this course

You must complete this course within one year of the date of purchase (if you do not complete the course within one year, contact us to determine whether an updated edition of the course is available, in which case we will provide you with a PDF of the updated course and the online exam at no charge).

A passing grade of at least 70% is required on the final exam for this course. You may retake the exam if you do not pass it on the first attempt (no charge).

Complete the course by following the learning objectives listed on the following page, studying the text, and studying the review questions at the end of each major section (or at the end of the course). Once you have completed studying the course and you are confident that the learning objectives have been met, answer the final exam questions (online).

Instructions for Taking the Final Exam Online

- Login to your account online at www.bhfe.com.
- Go to "My Account" and view your course.
- Select "Take Exam" for this course and follow instructions.

Additional Information

- The exam may be started, stopped, then resumed at a later date.
- The exam is "open book," it is not timed, and it may be retaken if not passed on the first attempt (no charge).
- Results (correct, incorrect answers) and certificate appear immediately upon passing the exam.
- CFP® and EA credits are reported weekly.

Have a question? Call us at 800-588-7039 or email us at contact@bhfe.com.

Learning Assignment & Objectives

As a result of studying the assigned materials, you should be able to meet the objectives listed below.

ASSIGNMENT

At the start of the materials, participants should identify the following topics for study:

- * Advantages and disadvantages of sole proprietorships
- * Taxes for self-employed individuals
- * Definition of partnership
- * Partnership tax return & year taxable
- * Contributed property, assets & services
- * Sales & exchanges of partnership interests
- * Limited liability companies
- * C corporations & PSC corporations
- * Inventories
- * S corporations

Learning Objectives

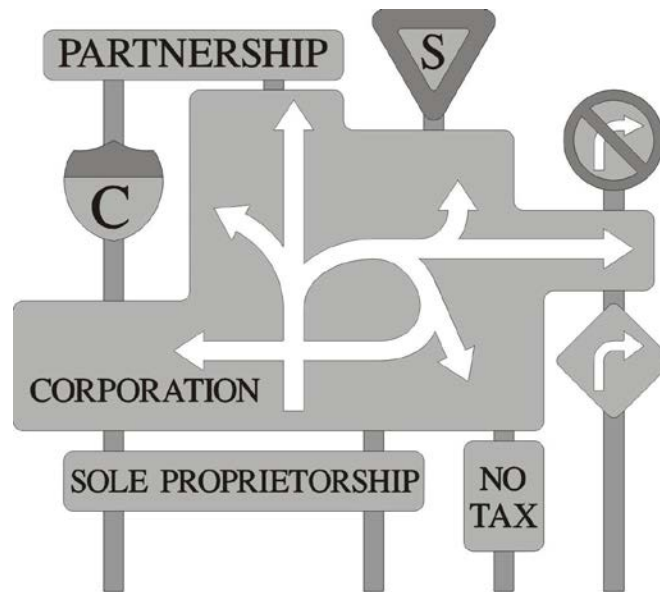

After reading the materials, participants will be able to:

1. Cite the central differences among business entities and the advantages and disadvantages associated with basic business entity types.
2. Recognize the tax attributes sole proprietorships, partnerships, LLCs, S corporations and C corporations and how each entity can be used to enhance tax and financial purposes and objectives.
3. Specify the unique (e.g., self-employment) and general taxes applicable to particular entities and the tax forms that may be required.
4. Identify the basic deductions that are permissible for each entity type and the conditions under which they are allowed.
5. Determine the tax years, accounting methods and valuation methods that each entity type may use, and how the entities can be terminated.
6. Specify for different entity types the basis and the tax effect of sales, exchanges, transfers, contributions and distributions.

After studying the materials, answer the exam questions 1 to 20.

Notice

This course and test have been adapted from materials and information contained in the above text and any supplemental material provided. This course is sold with the understanding that the publisher is not engaged in rendering legal, accounting, or other professional advice and assumes no liability whatsoever in connection with its use. Since laws are constantly changing, and are subject to differing interpretations, we urge you to do additional research and consult appropriate experts before relying on the information contained in this course to render professional advice.

Tax Guide to Business Entities

The author is not engaged by this text, any accompanying electronic media, or lecture in the rendering of legal, tax, accounting, or similar professional services. While the legal, tax, and accounting issues discussed in this material have been reviewed with sources believed to be reliable, concepts discussed can be affected by changes in the law or in the interpretation of such laws since this text was printed. The accuracy and completeness of this information and the author's opinions based thereon cannot be guaranteed. In addition, state or local tax laws and procedural rules may have a material impact on the general discussion. As a result, the strategies suggested may not be suitable for every individual. Before taking any action, all references and citations should be checked and updated accordingly.

This publication is designed to provide accurate and authoritative information in regard to the subject matter covered. It is sold with the understanding that the publisher is not engaged in rendering legal, accounting, or other professional service. If legal advice or other expert advice is required, the services of a competent professional person should be sought.
