Course Description

We may all confront issues that directly impact how much we can deduct. This course is designed for participants who want to explore and examine the tax consequences of medical costs, charitable contributions, and casualty and theft losses, especially in relation to their deductibility. The emphasis is examining a wide variety of situations related to these items and the extent to which they may or may not result in a deduction and what limitations on deductibility may be imposed.

Program Delivery Method: Self-Study (NASBA QAS Self-Study/interactive)

Subject Codes/Field of Study
